The map illustrates the Baltimore Peninsula, a triangular landmass at the mouth of the Patapsco River. The peninsula is primarily colored yellow, indicating the Community Benefits District Area. Key landmarks and areas include:

- Swann Park**: A green area with baseball fields in the northwest.
- IMPACT VILLAGE**: A cluster of purple buildings in the west.
- CITY GARAGE SCIENCE & TECHNOLOGY CENTER**: A purple building south of Impact Village.
- SCHUSTER BUILDING**: A purple building at the northern tip.
- CLUB VOLO**: A black building with a logo in the center.
- Rye Street Park**: A green area with a playground in the east.
- The Lawn**: A green activation space south of Rye Street Park.
- Kayak Ramp**: A small green area near the water.
- Port Covington Marina**: A marina with several docks on the eastern shore.
- The Pier**: A long pier extending into the river.
- Baltimore Cruise Port**: A port area with a ship icon on the eastern shore.
- West Covington Park**: A green area with a playground on the southern shore.
- Nick's Fish House**: A restaurant with a logo on the southern shore.
- Baltimore Yacht Basin**: A marina with several docks on the southern shore.
- Under Armour**: A large building with a logo on the southern shore.
- LOCUST POINT/FEDERAL HILL**: A grey area at the northern tip.
- HANOVER ST. BRIDGE**: A bridge crossing the river at the southern tip.

The Patapsco River is shown in blue, and the surrounding areas are in grey. The map also includes a legend in the bottom left corner.
